

New Park House Dental Centre

We want to make your referral experience as simple as possible.

Our secure online referral portal is our preferred method of receiving referrals but you can refer by telephone, email or using this printable form.

One of our team will acknowledge receipt of your referral and will arrange an appointment at a time to suit your patient.

Should you wish to speak to any of our dentists before referring a patient or during their care, please do not hesitate to contact us.

If you have any current radiographs or photographs of your patient, they are always helpful.
